Champions Take Another from the making their home in this city for a num-Michiganders.

If Cross keeps on pitching the sort of ball he did yesterday he will soon be the idol of the "bleachers." For seven innings Detroit had great trouble in getting anybody to base and Stalings's men had about resigned themselves to a shut-out when McCauley helped them out in the eighth. They got three hits off Cross in seven innings, and only three men reached first base during that time, as he gave no bases on balls and was backed up in errorless fashion to the eighth inning. It was a fine exhibition of what Cross is actually capable of doing. In addition to his great work in the box the pitcher hit for three bases in the second inning, driving in the firs two runs of the game. Bobby Gayle was put in the box instead of Ely, who had been announced to pitch. He was easy for the champions all through the game and they touched him up with special freedom in the seventh and ninth innings. Burnett let Shannon's grounder get away from him and then Cross hit the first ball pitched to the left-center fence for three bases, scoring two runs. Hogan flew center for three bases, and Twineham dropped Wood's third strike, Motz scoring when the catcher threw to first. The next two men were quickly disposed of. Knoll made a great running catch of Hogan's short fly in the fifth, after which Hogriever got a single to right and stole second, assisted by a passed ball, which enabled him to keep right on to third. He ran half way home, while Twineham tried to bluff him back with the ball, and finally drew a bad throw from the big catcher, on which he easily scored. The next two men went out in order.

With one out in the seventh, Hogan hit to center for a base, and Hogriever, Shiebeck and McCarthy followed with singles. | Louisville ...... Burnett's fumble of Stewart's grounder, following this streak of hitting, enabled the champions to roll up four runs. Motz forced Stewart at second by hitting to Burnett, and Wood flew to Dungan. Mc Cauley dropped Shiebeck's fly in the ninth and McCarthy, Stewart and Motz followed with hits, the last-named getting a twobagger to left. This, together with Mc-Cauley's muff of Shannon's fly, gave Indianapolis four more runs. Wood had gone out from third to first, and Shannon was caught at the plate trying to get all the way around on McCauley's error. Cross fouled out to catcher.

With one out in the eighth, Cross gave his old friend "Pop" McCauley an easy one, which that player lined out to left for two bases. # MUNYONS

Improved Homoeopathic Remedies

## The Most Successful Ever Known

Do These Wonderful Little Pellets Cure or Not?

Professor Munyon Says the People Have a Right to Know, and Refers to Over 700,000 Persons Throughout the United States Who Have Been Cured.

There is no punishment too severe, says Professor Munyon, for those who deceive or take advantage of the sick. You may sell a shoddy garment for pure wool, and you only affect a man's purse, but when you palm off a spurious medicine on a sick person you may cause months of suffering and possibly the loss of a precious life. Do Munyon's remedies cure? If they do they should be in every house. If they do not they should be publicly condemned and their sale prohibited by law.

Certainly every opportunity has been afforded the public to test his remedies. Thousands of vials have been given away in all the leading cities of America. Newspapers have made the most searching investigation, and thousands of people have testified that they have been cured.

Professor Munyon does not claim that his remedies will cure in every case, but is | bles. Price 25 cents. prepared to prove that they do cure over 90 per cent, of all curable cases when the remedies are taken according to direction. TESTIMONIALS. Samuel Brown, Akron, Ind., says: "I was

Many Catarrh Remedies that I tried gave me no relief. I invested seventy-five cents in Munyon's Catarrh Cure and Tablets and in one day saw an improvement. When I had finished this amount of medicine I was entirely cured." Mr. P. C. Rhodes, Evansville, Ind., says:
